The comp advised that he parked his Sarasota County Sheriff's Office 2017 Chevy Traverse FL tag [REDACTED] in the driveway of incident location and locked the doors. The comp last observed his vehicle secure at 1700 hours on 07-05-20.

The comp noticed his vehicle broken into at around 0540 on 07-06-20. The suspects broke out the passenger front door window and the rear hatch window. The comp was missing numerous items from inside the vehicle. The suspects left blood inside the vehicle from breaking the window.

Sgt Osborne called out forensics to process the vehicle and the blood and take photographs.

I was notified by St. Petersburg Police that they had recovered some of the stolen items from the comp's vehicle. They advised that three black males were observed throwing items out of their car. Det Lefebvre responded to St Pete to pickup these items that belonged to the comp.

The witness stated she located a wallet from the victims vehicle on Hibiscus St while she was out on a walk. The wallet and items inside were returned to the comp.

There was no video surveillance in the area. I did a canvas of the neighborhood but no one observed anything suspicious. The suspects are unknown at this time. Venice Police advised that they had approximately 12 vehicle burglaries in the area of comp's residence on this date.
